

USGA RULES GOVERN ALL PLAY

EXCEPT WHERE MODIFIED BY LOCAL RULES

- Time Par: 4:30 is reasonable for a round at Maderas. Aim to be under 4:30, but rarely over. Keep up with the group ahead of you (and don't worry about the group behind you).
- Environmentally Sensitive Areas: DO NOT go into these areas. They are home to protected plants and animals. To avoid snakebites and poison ivy (seriously), take a drop with a one stroke penalty. Use drop areas on holes 6 and 15.
- Native Rule: Treat native hillsides and woodlands as lateral hazards. It's not worth venturing into these areas. Take a drop with a one stroke penalty to keep play moving.
- Fencing: Split rail fencing, lodge poles and rock walls (hole 8) are immovable obstructions. Lift and drop within one club-length of the nearest point of relief not nearer the hole (no penalty).
- Any ball coming to rest within a flower bed or fenced oak tree should be lifted and dropped within one club-length of the nearest point of relief not nearer the hole (no penalty).
- Out-of-bounds is defined by white stakes, perimeter fencing and roads bordering the course.
- Etiquette: Please repair two ball marks per green. Fill divots with the mix on the golf carts. Leave bunker rakes half-in/half-out (easier to grab). Always be aware of your position on the course. Play ready golf.
- Utilize staked entry and exit points when driving a golf cart. This lessens course damage and avoids dangerous slopes.
- Yardage markers are located on sprinkler heads. Yardages are to middle of greens.
